THE ART OF BEER

Brewmasters know this.
According to the "Edict of Purity" of 1516, to create a perfect beer you only need four ingredients: malt, hops, yeast and water.
The authentic Bavarian beer is born from this ancient recipe.
Stapled in three shots, for about seven minutes, it releases all the flavor of tradition.
It is recognized by the classic foam "hat" that keeps it perfect, ready to be sipped!
